Grand Rally of the Democracy at Hamden.

There will be a Mass Meeting of the democracy of this region, at Hamden, in this County, on Friday the 29th day of this month.

Able speakers have been invited to address the meeting. Their names will be announced as soon as it can be ascertained that they will positively be present.

Ex-Governor Wm. Medill, Col. Samuel Medary, Hon. E. B. Olds, Durbin Ward and Jas. Sloan Esqs., are among those invited to be present.

Mass Meeting at Hamden.

The democrats of Hamden and vicinity are making extensive preparations for the Mass Meeting which is to be held at that place on the 29th inst. They have procured the Chillicothe Brass Band to discourse music to the assembly and enliven the exercises of the day. They are also preparing to raise a pole from which the stars and stripes shall float gaily to the breeze. Huzza for the democracy of Hamden! Let everybody turn out to the meeting and participate in an old-fashioned re-union with the sterling democracy of Rose, Jackson, Athens and Vinton Counties.

Speakers for the Hamden Mass Meeting!

Hon. WM. ALLEN,
" E. B. OLDS,
" STANLEY MATTHEWS,
JOSEPH MILLER, Esq.,
JAMES SLOAN, Esq.,
ALONZO CUSHING, Esq.

The above named gentlemen have all been invited to attend the Hamden Meeting on the 29th inst. Some of them will undoubtedly be present.

Messrs. Sloan and Cushing are old line Whigs.

The Prospect in Vinton County.

Within the last few days we have seen democrats from all parts of this County, and have come to the conclusion from their statements, that the democratic majority will be increased from one to three hundred votes. We confidently anticipate a majority for Buck and Breck of from three to five hundred. There are scores of old line whigs in the county who will neither be coaxed nor driven into the support of the Woolly-Horse. They say that their old party was swallowed up by Sam, that Simbo swallowed Sam, and that they are now asked to swallow the nauseous nigger and a weedy horse to boot. The dose is too sickening for any human stomach.

Meeting at Middletown.

On Friday last the democracy rallied at Middletown, Jackson County, to the number of several hundred, and were addressed by Judge Hewitt of this place, and Messrs. Dungan, Stevenson, Johnston and James of Jackson. Much enthusiasm was evinced, and the democratic ranks in Jackson, and our friends there are confident that they will be able to give Buck and Breck a handsome majority.

Buskirk & Davis' advertisement is in another column. Their establishment is a very extensive one and their facilities for furnishing groceries cheap are not surpassed by those of any firm in the State. Country merchants and farmers in this region should not fail to call when they visit Portsmouth.

Tri-Weekly Plaindealer.—This is the title of a new Democratic paper published at Portsmouth, O., "by E. M. Horrel, for the Committee." We wish the Plaindealer abundant success.

Attention is directed to the advertisement of the Pomeroy Academy. It is to be hoped that the good citizens of McArthur will not be slow in imitating those of Pomeroy who have established such a creditable institution. Thanks to Mr. Keen, the Principal of the Academy, for a catalogue of its officers and students.

You had better not read J. G. Sweetland's advertisement—perhaps—and perhaps you had. There may be "danger in the dark."

Godey's Lady's Book for September is on our table. Those wishing a good family monthly publication could not do better than to subscribe for Graham.

Elk Tp. Buchanan Club.
The Buchanan Club will meet as usual on Saturday evening next, at 7 o'clock.

A. Pearce, Sec'y.

Twenty Thousand Democrats in Council in Chambersburg, Penn.
An immense Democratic meeting was held at Chambersburg, Pa., on the 7th of August. Twenty thousand people were present. The meeting was addressed by Honorable A. H. Stephens of Georgia, the most talented man in the House of Representatives. Mr. S. was formerly an Old-line Whig, but is now giving effective service for Buchanan.

He ought to know.
As to what Republicanism is there is no man better able to judge than Sam Houston. He was the founder of a Republic. Hear him:
Of the Republicans, I can only say that their platform and principles are sectional, and I cannot conceive how any man loving this Union, devoted to its principles, can support a ticket fraught with such disastrous consequences to the whole country as its success would be.

Well done for Arkansas.
This State, first telegraphed Doubtful, has literally swept every thing clean.
Governor, by 10,000 or 12,000!
Both Members of Congress!!!
And about five Democrats to one Know Nothing in the Legislature!!!
That will do for Arkansas!
Senator Johnson was right when he laughed at the telegraph reports.

The Elections.—Democratic Victories.
The rout of the opposition to the Democracy in North Carolina appears to be a signal and complete as in Arkansas. The majority for Hogg, Democrat, for Governor will be about twelve thousand, being a Democratic gain of more than eleven thousand since the Presidential election. In Missouri, all but twenty-two counties have been heard from, and Polk, Democrat, for Governor, has a majority of three thousand over Ewing, K. Nothing, and about fifteen thousand over Denton. The Intelligence, the Know-Nothing organ at St. Louis, thinks that Polk's majority will be about five thousand, but it will probably be more. All hail the national Democracy of Missouri and North Carolina.

New Jersey O.K.

The Democratic State Convention met at Trenton on Wednesday last 3,000 strong, and unanimously nominated Col. Alexander for Governor, passed some glorious resolutions, and afterwards listened to speeches from Senator Bigler, John Van Buren, and John A. Dix. New Jersey is good for Old Buck by a triumphant majority.

The New York Tribune, speaking of Mr. Buchanan, says:
"It gives us pleasure to recognize in the Cincinnati nominee for President a man respectable in every personal relation—a good citizen and neighbor—a man of fair talents and unimpaired private character."

FITS: FITS: FITS!

Persons laboring under this distressing malady will find Dr. HANCOX'S Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. These Pills possess a specific action on the nervous system; and although prepared especially for the purpose of curing Fits, they will be found of especial benefit to all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. The dyspeptic patient, whose stomach has lost the power of duly converting food into a life sustaining element, is relieved by a single course of the extraordinary Pills. The gastric fluid re-acquires its solvent power, and the crude nutriment, while his digestive organization was paralyzed and unstrung, becomes under the whole-some revolution created in the system, the basis of strength, activity, and health.
Sent to any part of the country by mail, free of postage. Address: SETH S. HANCOX, 105 Baltimore Street, Baltimore, Md. Price—One box, \$3; two, \$5; twelve, \$24.

The Balm of a Thousand Flowers.
For beautifying the complexion and removing all Tans, Pimples and Freckles—for Shaving and cleaning the Teeth.
THE Balm of a Thousand Flowers is a delightful compound highly and delicately scented by its own ingredients—imparting beauty and health to the skin. It will effectively remove tan, sunburn, etc., and it imparts a desirable soft surface to the skin, preventing its shrinking and becoming spotted. By perspiring in the directions the skin will become and remain free from all blemishes and imperfections precisely as nature intended it to be, presenting a juvenile appearance even to middle or old age.

This new preparation is admirably adapted for curling and keeping in curl the hair.

EAU LUSTRALE.
The art of the perfumer has never produced a more excellent preparation for the hair, whether we regard its fragrance or its power of instantaneously cleansing the hair and removing from it dandruff and of imparting a soft and natural lustre. Entirely devoid of greaseiness, it combines the properties of a hair wash and pomatum.

Also the following select assortment of hair Oils, Extracts, Soaps, Perfumes, Cosmetics, etc., Honey Soap Extra, Extract Lemon, extra, Balm Verbena Extract, Balm Patchouly Extract, Cologne, superior, Oil Marrow Compound, Philocome Pomade.
